PERSONAL STATEMENT

I am a skilled Software Engineer with a strong passion for creating efficient and innovative solutions. With a proven track record in developing and maintaining software applications, I bring a keen eye for detail and a commitment to delivering accurate results. My dedication to continuous learning ensures that I stay up-to-date with the latest industry trends and technologies. I thrive in collaborative environments and am driven to contribute to projects that have a meaningful impact.

EXPERIENCE

NOV, 2022 – JAN 2023

SOFTWARE DEVELOPER, STUDIRRE (**http://www.studirre-36417597e0ce.herokuapp.com**)

- ➢ **Front-end Development:** Proficient in crafting visually appealing and user-friendly interfaces using HTML5, CSS3, JavaScript, jQuery, Ajax, and Bootstrap5.
- ➢ **Security Measures**: Adept at integrating security best practices to safeguard user data and fortify websites against vulnerabilities. Implemented authentication and CSRF tokens for enhanced protection.
- ➢ **SEO Expertise:** Demonstrated skill in enhancing website visibility through comprehensive SEO strategies. This includes creating sitemaps, optimizing title and meta tags, leveraging Google Analytics, and ensuring proper site indexing in Google Search Console.
- ➢ **Version Control:**Proficient in Git for efficient site version control, ensuring seamless collaboration and code management.
- ➢ **Performance Optimization:**Expertise in optimizing website performance. Employed techniques like image optimization and the use of intersection observers to ensure optimal loading and rendering.
- ➢ **Database Management:**Designed and implemented an efficient database structure for storing movie information, ensuring data integrity and accessibility.
- ➢ **Framework Proficiency**: Experienced in working with the Django framework, leveraging its capabilities to build dynamic web applications.
- ➢ **Testing and Debugging:**Thoroughly tested websites for functionality and performance, adept at identifying and resolving issues to ensure smooth and error-free user experiences.

FOUNDER, QRAWLER (http://www.qrawler-a85a849b6c24.herokuapp.com)

With over four years of experience, I have been engaging in freelance software development, collaborating with a diverse clientele. The establishment of qrawler emerged as a strategic step, broadening my client base and facilitating engagement with a more extensive array of projects that added to my set of skills, some of which are delineated below.

Payment Gateways – I have done payment integration's using various websites APIs such as PayPal, M-Pesa, and card payment using stripe.

Other skills I have developed during the course include:

React js	Redux
Django	Node Js
Firebase	Heroku
Flutter	Bootstrap5
PHP/Laravel	HTML5/CSS3/JQuery/Ajax
Selenium	Flask

Other notable projects that I have worked on include:

- Armlogi(https://armlogi-3bc42f23738b.herokuapp.com)

- Madras Rubber Factory( )https://madrasrubberfactory-8cf00512676b.herokuapp.com

- My24loan(https://my24loan-653812dab21f.herokuapp.com)

- Myauditor(https://myauditor-b4ba81cb0a5c.herokuapp.com)

- Chatbuddy(https://my-chatapp-b4cf5cb6d378.herokuapp.com)

- Student Exam Card Portal (https://student-examcard-portal-15238722d4bc.herokuapp.com)

- Nirejeste (https://nirejeste-2a1c7a6f0309.herokuapp.com/)

- Nilinde (https://nilinde-43896fd32b0a.herokuapp.com/)

- Here is my portfolio: http://www.devme-c78b91affa17.herokuapp.com

ONGOING PROJECTS

- ❖ **Jisort sasa** (https://jisort-sasa-10be1ee3fc3b.herokuapp.com/)

- ❖ **Kimberly** Chatbot Chrome extension

EDUCATION

2017 - 2023

ELECTRICAL AND ELECTRONICS ENGINNERING, MOI UNIVERSITY

Just Completed

2013 - 2016

KCSE, CHESAMISI BOYS HIGH SCHOOL

Received my high school certificate with an A- (75/84)

2013 - 2016
